10. Norfolk R

B Company Ray Farm

Dear Nance Just a line to say

Parkstone

the Harwich

I am quite well they shifted us from
Northampton to Parkstone

to Harwich and put us in the
10 Norfolk and under Canvas
and I can tell you the bed was
a bit hard and we had a bit
of training this morning

Mr and Venters is in the
Dame Tent they sent 9 of us
from Northampton all Strangers
to me I saw bill and he said
he thought ~~Mr~~ Uncle Harry
had gone to Falmouth he was
sure in a warry Battalion
he said he would write to you
last night and let you know
were i had gone to i can tell
you it was like being at home

ir Cant send you my number
I dont know it yet it looks
a livin place it on a Hill
down a old drove about
a mile or two from Harwich

We saw a lot of Destroyers
up a big river as we come
by train i reckon we are
here for 3 months i not sure
they reckon that well get
trained by then

Did you get the Marriage
lines and Birth Certificates
back they said they was
going to send them back the
same night now is the children
getting on hope you are alright
I will send you my full address
when I know it so i must draw
to a close.

Yours ever I love
